SIR,

Revised estimate for Rs.12,100/- for effecting improvements to the Sri Lakshminarayanaswamy temple at Hosaholalu, Krishnarajapet Taluk.

Adverting to G.O.No.1692-4/Muz.179-29-4 dated 26/27th January 1931 sanctioning an estimate for Rs.7050/- for the above work, I have the honor to forward herewith a revised estimate for Rs.12,100/- received with correspondence ending with letter No.H.469/34 dated 19th June 1935 from the Deputy Commissioner, Mysore District, and to state that the excess over the sanctioned estimate viz., Rs.5050/- is mainly on account of the acquisition of houses and that Mr. Venkata Setty has promised to bear half the excess viz., Rs.2525/- which he says may be deducted from the final bill payable to him. As regards the other half viz., Rs.2525/- a sum of Rs.525/- will be provided in the allotment of State and General Muzrai Fund grant for 1935-36 and the balance of Rs.2000/- may be met from the funds of the institution which has a cash and invested balance of Rs.4150/- at its credit.

A copy of the Deputy Commissioner's letter dated 15th January '35 together with the connected file is enclosed.

I have the honor to be
Sir,
Your most obedient servant

N. Madhava Rao
Muzrai Commissioner.

Please Sir.

Construction of compound wall to Sri Lakshminarayanaswami temple - Hosahol Krishnarajapet Taluk. alu

With reference to G.O.No.1692-4/Muz.179-22 dated 26/27th January 1931 sanctioning an estimate for Rs 7050/- for the above work, I have the honor to state that the work has not yet been commenced for some reason or other. Mr. Venkatasetty, who has contributed half the cost of the sanctioned estimate namely Rs 3525/- suggested to the Dewan certain alterations in the sanctioned work. The adjacent house owners also complained that they would be put to inconvenience if portions of their houses were acquired, and that therefore their whole houses might be acquired.

In view of the wishes of the donor, the Assistant Engineer was requested to furnish a revised estimate and plan in consultation with the donor, and pending their receipt further action for acquiring the houses had been stopped.

2. The Assistant Engineer has now furnished a revised estimate for Rs 12100/- which is scrutinised by the Executive Engineer, Mysore Division. It includes a sum of Rs 4760/- on account of compensation for the acquisition of the adjoining houses fully.

3. Mr. Venkatasetty has given a statement to the effect that he will meet half the cost of work, viz., Rs 6050/-, the other half being met by a grant from the General Muzrai Funds, that he has already paid Rs 3525/- which is adjusted to the credit of Public Works Department, and that the balance of Rs 2525/- to make up his contribution may be deducted from the final bill after the work is completed by him. The donor further desires that interest on the deposit of Rs 3525/- made by him during 1930 may be allowed and that the same may be utilized towards the work. As no interest can be paid on funds transferred to the credit of the Public Works Department on account of sanctioned work, this prayer of the donor is not feasible.

The amount deposited by the donor is Rs 3525/- and the proposed cost of acquisition of houses as per revised estimate is Rs 4760/-. The donor will be asked to pay at least a further sum of Rs 1235/- so that the amount deposited by him may cover the cost of acquisition of houses, the balance of his contribution viz., Rs 1290/- being adjusted in the final work bill.

4. Under the above circumstances, I request that the revised estimate for Rs 12100/- may kindly be got scrutinised by the Chief Engineer and that sanction of Government may kindly be obtained thereto, the cost being met equally from the contribution of Mr. Venkatasetty and from the General Muzrai funds.

5. The revised estimate, plan and other connected papers are submitted here

herewith. The original estimate for R. 7050/- may be cancelled.
